

How to Signup and Pay for ORCSD Care

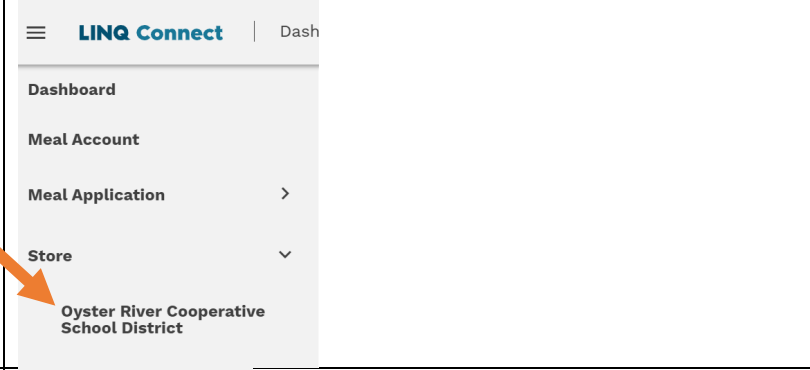

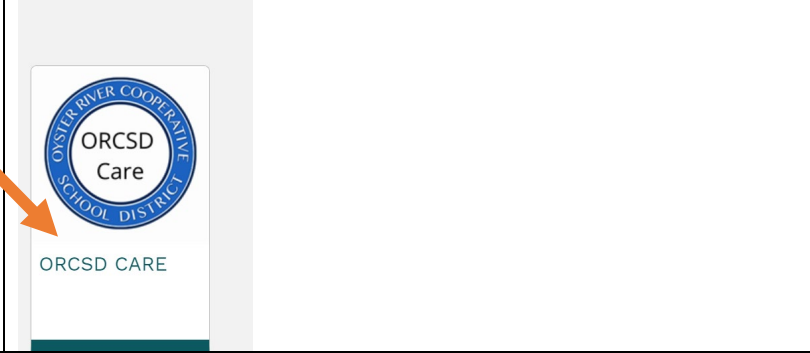

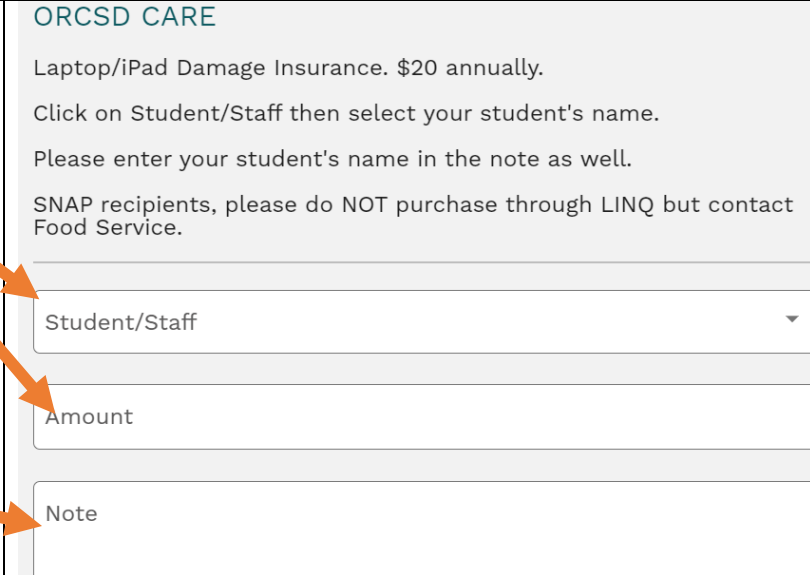

The ORCSD Care program covers school issued laptops, iPads, chargers, and cases against loss, theft, or accidental damage from day of distribution through the last day of school. If the device is not covered by ORCSD Care, a student will be liable for full replacement or repair cost. The annual cost of ORCSD Care is \$20/student. Students who receive free or reduced lunch are automatically enrolled in the program.

If you have more than one child in the district, you will need to pay \$20 for each child. Students must reenroll in ORCSD care each year.

There are 2 ways to sign up and pay for ORCSD care:

1. Send you child to school with a \$20 check made out to your school. Please put ORCSD Care and your child's full name in the memo line. Your child should give the check to the cafeteria worker who is at the servery cash register.
