Dear Parent/Guardian,

Due to a shortage of drivers in the District, we may be unable to provide transportation to all ORHS games and practices. We will do all we can to provide transportation when able, but it will not be on a regular basis. By signing this document I give my son/daughter the permission to drive/ride with a peer to and from ORHS practices and games.

I _____ give permission to my son/daughter _____ to drive or ride with a peer to and from all games and practices. I understand that if I do not give permission that I will be responsible for transportation of my child to and from games and practices. I hereby release the Oyster River Cooperative School District, its employees, agents, and representatives from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising.
