

WELCOME TO THE 5TH GRADE

Mrs. Burke

Sequoia Team 2023-2024

Mrs. Bobo-Caron

Isn't summer vacation the best? We hope you are enjoying the beautiful weather and are relaxing and recharging. Mrs. Burke is enjoying spending time with family & friends on the Cape, relaxing by the beach, and outdoor adventures with her dog, Dezi. Mrs. BC is spending lots of time outdoors and traveling out west to explore the Grand Tetons, Yellowstone, and Glacier National Park. We look forward to sharing summer stories as we sit around our team campfire together!

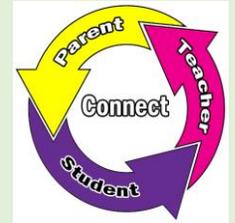

Even though we all love summer vacation, isn't it exciting to think about the new school year? It will be great to get back and see old friends, and just think of all the new friends you will get to meet this year! Mrs. Burke and Mrs. B.C. are creating the vision for our brand new team. **This will be a school year full of opportunities to try new things and pull together as a 5th grade family.** You will work with both of us everyday and have the opportunity to collaborate with many of the students on our team.

Our year will be filled with fun simulations, experiments, math investigations, awesome read alouds, and activities that will develop your passion for reading and writing. Enjoy the rest of your summer vacation and get ready to have a great start to your fifth grade year!
