### Parents – We need you too!

Education is a partnership between home and school. We value parent involvement at every level and encourage you to partner with us. For this partnership to be effective, we need to be able to communicate.

Please feel free to call, write a note, or e-mail us if you have concerns or questions about your child's education. We are always available to schedule a conference to discuss any issue or concern you have regarding your child.

### Our Philosophy

We understand that your child comes to us with unique experiences, interests, and learning styles. Our goal is to truly know your child well and use this knowledge to guide, support and motivate him or her. We believe that good teaching requires continual professional development, personal reflection, and collaboration. We value parent involvement at every level and encourage you to partner with us to give your child the most powerful and joyous learning experience possible.

# Welcome to Mountain 6- Olympus!

We are so excited to meet you and kick off a great 2023-2024 school year!

## **Behavior Expectations**

We have high expectations for achievement in our classes and take great pride in our team and the work that is done. We work to instill this same attitude of high expectations and quality work in you and your work. We expect you to work hard and achieve academically to your fullest potential and contribute in a positive manner.

1. Show respect
2. Make good decisions
3. Solve problems

## **Homework**

You will have homework on a regular basis. Homework is intended as a means of practicing the skills that have been taught in class, preparing for an upcoming activity or as a culminating assessment. Because of this, homework is expected to be completed on time.

Homework assignments will be posted weekly on our team Schoology page and graded assignments will be updated regularly on students Grade Report on Schoology.
