The screenshot shows the PowerSchool website interface. At the top, it says "PowerSchool". Below that, there are two main sections: "Parent Sign In" and "Create an Account". The "Parent Sign In" section has fields for "Username" and "Password", a "Sign In" button, and a link for "Having trouble signing in?". The "Create an Account" section has a "Create Account" button and a paragraph of text explaining that creating an account allows parents to view all their students and manage preferences, with a "Learn more" link. At the bottom, there is a copyright notice: "Copyright © 2005 - 2011 Pearson Education, Inc., or its affiliate(s). All rights reserved."

A screenshot of a web interface. At the top, a message box says: "Congratulations! Your new Parent/Guardian Account has been created. Enter your Username and Password to start using your new account." Below this is a "Login" section with two input fields: "User Name" and "Password". A link "Having trouble logging in?" is located below the password field. A black arrow points from the text above to the message box.

****If Parent/Guardians share the same account, ONLY ONE Parent/Guardian may access the account at a time.****

After successfully logging in, you will see a series of tabs under the PowerSchool logo listing the name your student(s).

- Select the appropriate name to change the page to that student's information.

What if you forget your login information?

On the login page, click on Having Trouble Logging In?

If you forgot your Password:

- Fill in your User Name & E-Mail Address
- Hit Enter

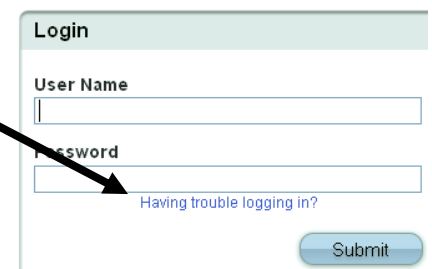

The system will send you a Security Token with instructions on how to re-set your Password to the E-Mail address listed.

It is important to note that the Security Token sent is only good for 30 minutes. If the Parent/Guardian fails to re-set the Password in that allotted time, you will need to repeat the process.

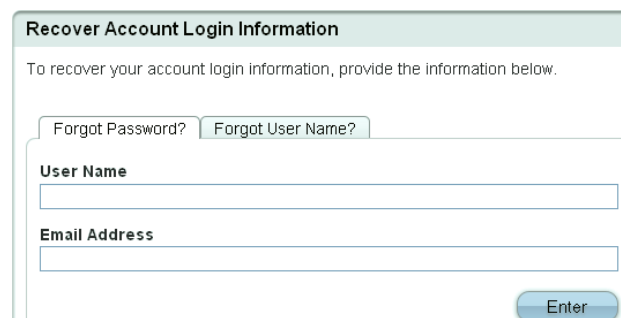

If you forgot your User Name:

- Click on the Forgot User Name tab
- Enter your E-Mail Address
- Hit Enter

The system will send you an E-Mail listing your User Name.
