## USE OF SCHOOL BUILDINGS AND FACILITIES (continued)

### Fees:

The Board will approve a schedule of fees for use of school facilities. The Superintendent or designee(s) may grant waivers of fee payment in exceptional cases. The Board intends that recognized parent volunteer groups, such as PTO's, will not be charged fees for use of facilities that have approval of the building Principal and Business Administrator. Fee schedule will be reviewed as part of the annual budget process.

### Certificates of Insurance:

Each application for school rental will include a certificate of insurance for general liability and property damage, the coverage to be as recommended by the district's insurance carrier. The Oyster River Cooperative School District shall be listed on the certificate as an additional named insured.

### Damages:

Anyone submitting an application for the rental of school property must assume responsibility for the proper use of the facility and for the conduct of all attending the event. As a condition for permission to use the facility the user must indemnify the school district from any claims which might arise from the use. If any school district property is lost or damaged during usage, the amount of loss or damage will be determined by the superintendent of schools, and a bill for damages (both labor and materials) will be mailed to the applicant of record, who accepts responsibility for payment of damages as a condition for permission to use the facility. In addition, the Superintendent or designee may require the submission of a deposit in advance to cover any potential loss or damage to school district property.

### Receipts:

Receipts from fees shall be used for facilities maintenance and operation costs.

### Regulations:

Regulations governing this policy shall be posted on the school district web site.
