STUDENT CONDUCT ON SCHOOL BUSES

Students using district transportation must understand that they are under the jurisdiction of the school from the time they board the bus until they exit the bus.

The bus driver will have responsibility to maintain orderly behavior of students on school buses and will report misconduct to the student's principal.

The school principal will have the authority to suspend the riding privileges of students who are disciplinary problems on the bus by failing to conform to the rules and regulations promulgated by the school board. Parents of children whose pattern of behavior and misconduct on school buses endangers the health, safety, and welfare of other riders will be notified that their children face the loss of school bus riding privileges in accordance with the student discipline code.
