## STUDENT DISCIPLINE AND DUE PROCESS - PROCEDURE

### Definitions

1. Disciplinary measures include, but are not limited to, removal from the classroom, detention, in-school suspension, out-of-school suspension, restriction from activities, probation, and expulsion.
2. Removal from the classroom means a student is sent to the building principal's office. It is within the discretion of the person in charge of the classroom to remove the student.
3. Detention means the student's presence is required during non-school hours for disciplinary purposes. The building principal is authorized to establish guidelines or protocol for when detention shall be served (either before school or after school.) Whether a student will serve detention, and the length of the detention, is within the discretion of the licensed employee disciplining the student or the building principal.
4. An in-school suspension means the student will attend school but will be temporarily isolated from one or more classes while under supervision. An in-school suspension will not exceed ten consecutive school days.
5. An out-of-school suspension means the temporary denial of a student's attendance at school for a specific period of time for gross misconduct or for neglect or refusal to conform to school rules or policies.
6. A restriction from school activities means a student will attend school and classes and practice but will not participate in school extra-curricular activities.
7. Probation means a student is given a conditional suspension of a penalty for a definite period of time in addition to being reprimanded. The conditional suspension will mean the student must meet the conditions and terms for the suspension of the penalty. Failure of the student to meet these conditions and terms will result in immediate reinstatement of the penalty.
8. Expulsion means the permanent denial of a pupil's attendance at school for any of the reasons listed in RSA 193:13, II and III.

### Standards for Removal from Classroom and Detention

Students may be removed from the classroom at the classroom teacher's discretion if the student refuses to obey the teacher's directives, becomes disruptive, fails to abide by school rules or policies, or otherwise impedes the educational purpose of the class.

Likewise, classroom teachers may assign students to detention for similar conduct.

The building principal may assign students to detention under the same standard.
