STUDENT TEACHING AND INTERNSHIPS.

In order to provide the best intern experience, equity in distribution and appropriate placement, principals will survey their entire staff each year to determine interest and best fit. Every effort will be made to insure that interns will be equitably distributed, and that interns are placed in accordance to the needs of ORCSD students.

Classroom instruction remains the responsibility of the classroom teacher. The Oyster River School Board recognizes the student teacher program as an important aspect of a future teacher's education. Therefore, the Board will cooperate with institutions of higher education in training student teachers.

All persons involved in this program must recognize that the first and primary responsibility of the District is to the students within its schools. If at any time a student teacher becomes unacceptable, the District reserves the right to refuse that student teacher further teaching experience within the District.

Student teachers who work in the District shall be accepted only after approval of the Superintendent and the Principal of the building in which the person is to teach.

Student teachers shall be subject to a Criminal History Records Check prior to working in the District. The cost of the Criminal History Records Check is to be paid by the student teacher.
