

Technology – District and Department Level Goals

District Goal

Operations and finance will ensure that facilities and operations support educational goals through a sustainable education system.

Department Level Goal

ORCSD will use technology in a manner that respects themselves, society, and the environment.

District Goal

ORCSD is committed to creating an environment where all students become both independent learners and knowledgeable critical thinkers who live ethically and make a difference in their world.

Department Level Goal

ORCSD will use consistent student centered and effective integration of technology across all classrooms and grade levels that incorporate the NETS standards, digital portfolios, and District technology standards.

District Goal

ORCSD is committed to creating an environment where all students become both independent learners and knowledgeable critical thinkers who live ethically and make a difference in their world.

Department Level Goal

Technology will support innovative student centered instructional practices and personalized learning for all ORCSD students so they are college and career ready, prepared to pursue the paths they choose.

District Goal

ORCSD will enhance communications to accurately report District performance to engender a culture of trust, respect and support.

Department Level Goal

Technology use will allow for clear, consistent, communication and provide multiple opportunities to engage with the communities of Lee, Madbury, and Durham.

District Goal

Operations and finance will ensure that facilities and operations support educational goals through a sustainable education system.

Department Level Goal

ORCSD IT will align purchasing with District goals to ensure the appropriate resources are being purchased in a consistent manner across the District.
