

**Oyster River School District
Long Range Planning Committee Meeting
Monday October 5 at 7PM
Agenda**

1. Review October 1 enrollment 2015-16, if available, and compare with Day 1 and prior year LRPC forecast.
2. Review births statistics for the year that ended September 30, if available.
3. Discuss regression coefficient update options, if available.
4. Discuss how we will predict the number of High School tuition students.
5. Other items if time permits: improvements to the model spreadsheet.
6. Set schedule for LRPC work and deliverables.
7. Set date for next meeting.
