RETIREMENT OF FACILITIES

Oyster River Cooperative School District facilities will be considered for closing study if any of the following conditions apply:

1. The building is inadequate by virtue of age, condition, size of site, or other overriding limitations and cannot reasonable and economically be brought up to the current educational standards.
2. District needs/enrollment are no longer sufficient to warrant the use of buildings.

A closing study of such a facility may be authorized by the Board following all appropriate legal requirements of the State of New Hampshire.
