ALTERNATIVE CREDIT OPTIONS

The Oyster River Cooperative School Board directs the Superintendent to establish regulations and procedures for implementing this policy that will include:

- Definitions of allowable alternative learning opportunities
- Reasonable limits on the number of approved alternative courses that can be administered each school year – school-wide and per student
- The number of alternative credits each student may use toward graduation requirements
- Application and approval process
- Criteria for determining which requests satisfy a particular subject area requirement
- Identification of person(s) responsible for approval, supervision, and monitoring progress
- Requirements that alternative opportunities meet the same rigorous academic outcomes as traditional classroom delivery
- Assurance of student safety including physical and technological
- Assurance of equal access for all students
- Assurance that approved alternative learning opportunities are consistent with all policies of this board
- The procedure will be made available to the public.

It is the policy of the Board that alternative methods for the awarding of credit may include:

- Competency testing in lieu of enrollment under the provisions of Policy ILBAA
- Interdisciplinary credit
- Satisfactory completion of course requirements at another public school district, an approved private school or a home-schooling experience
- Transfer of credits earned by students before enrolling in the district, such as students moving into New Hampshire from another state or country
- Extended learning opportunities under the provisions of Policy IHBH
- Online/virtual learning opportunities under the provisions of Policy IMBA
- College Credit/Dual Credit
- Early Graduation
- Middle school acceleration to the extent that the course work exceeds the requirements for seventh or eighth grade, is consistent with the related high school course(s), and the student achieves satisfactory standards of performance.
